ATTENTION EXHIBITORS

USE WHAT THE PROFESSIONALS USE SAVE TIME AND MONEY BY USING THE PROPER FLOOR TAPE

We would like to take this opportunity to remind all exhibitors that it is their responsibility to remove any flooring adhesive (namely carpet tape) at the end of the show.

We suggest using what the professionals use, double-sided cloth tape. Have you ever noticed how easily the aisle carpet is removed at the end of the show? The show providers use only double-sided cloth carpet tape for the booth and aisle carpet.

Benefits of double-sided cloth carpet tape:

- Strong holding power
- Adheres well to a variety of surfaces
- Removes cleanly after aging
- Improves overall productivity.

**Caldas Building Services now offers double-sided cloth tape for sale.
Our office is located just down from the show office in Hall # 1.**

24mm x 55m (1"x 108') Roll \$ 9.00 per roll

48mm x 55m (2"x 108') Roll \$16.00 per roll

Caldas Building Services does not recommend the use of packaging tape, duct tape, general-purpose carpet tape or double-sided foam tape.

Once again this notice is a reminder to the exhibitor that it is their responsibility to remove any and all flooring adhesive that they use. Any flooring adhesive left behind will be removed by Caldas Building Services, with the charges of removal being billed directly to the exhibitor at a cost of \$2.00 a running foot by the show management.

To avoid being billed for floor adhesive removal please use the recommended cloth tape, or ensure that your choice of flooring adhesive is completely removed during tear down of the show.

International Centre has now implemented a recycling program.

We ask for your support by separating your cardboard from the rest of the garbage.

Cleaners will be going around each aisle picking up the garbage and cardboard. By having it already separated will help us get the aisles cleared out faster and make it easier for exhibitor to move in.

We would like to thank you in advance for your contribution in our recycling program.
